DESCRIBE THE PRESENT AND ORIGINAL (If known) PHYSICAL APPEARANCE

76 Baltimore Street is located on the north side of the street near the middle of the block formed by Liberty and Centre Streets in the central business district in Cumberland, Allegany County.

The building is a three story masonry structure with a classical facade that sets squeezed between its neighboring buildings. The ground floor facade has a modern shop front. Above the sign and aluminum rises a recessed arch with a corinthian keystone. The structure is topped by a dentilled cornice and closed roof balustrade. The detail is heavy in execution. The facade appears to be stone. The interior of the first floor is combined with that of the building to the west as a store room. The upper level of the facade appears to be in fairly original condition.
